Rules:

Individual Matchplay played with 100% of the difference in handicap.

The players of a match shall request the registration desk to inform both players of their preferred means of communication.

Not later than 5 weeks before the deadline by which the match has to be played the person listed first in the draw shall propose 2 dates to play the match. Within 3 days of receiving the proposal the person listed second shall either consent or propose 2 alternative dates to play the match. Within 3 days of receiving this proposal the first person shall consent or oppose. A player not following this procedure will be disqualified. If both players follow this procedure but the match is not played before the deadline both players will be disqualified. Any hardship case shall be presented to the Captain for his decision.
