From 4<sup>th</sup> to 6<sup>th</sup> September the FEDERAÇÃO PORTUGUESA DE GOLFE held the 57<sup>th</sup> Club Championship at the Morgado Golf Course near Portimão at the Algarve.

A team of five players competed and a small support crew helped to keep the spirit up. The team had to compete against the best Portuguese amateur players (best individual result was -20 over 3 rounds) and had to cope with temperatures well above 30 degrees. But all of them gave it their absolute best and the team achieved an honorable 12<sup>th</sup> place.
