

A team from Praia D'el Rey competed in the Campeonato Nacional de Clubes Seniores at Aroeira Pines Classic, on 19<sup>th</sup> and 20<sup>th</sup> June 2021.

There were 15 club teams in the tournament and after Saturday's Singles the team reached a very good fifth place.

But there was space for improvement.

On day two Foursomes was played, and the team finished in second place just two shots off the leaders.

So, they climbed up the leader board by two positions and ended up on the podium in third place.

**Well done!**
